DEPARTMENTS

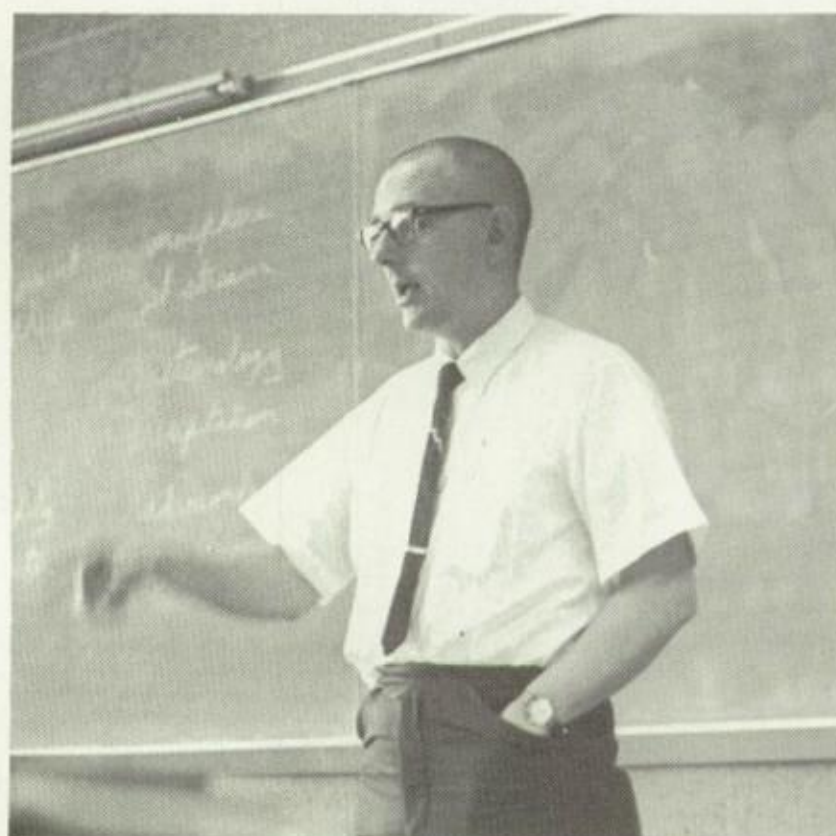

LEFT TO RIGHT: Mr. Ernest Leyendecker, Mrs. Vera Ezell, Mrs. Mary Peters, Miss Ann Krutsinger, Mrs. Marty Davis, Mrs. Lois Street, Mrs. Mary Dambman, Mr. William Nidiffer, Mrs. Ann Thomas, Mrs. Mary Von Wellsheim. ABSENT: Miss Pat Bettscher.

The English program was based on the opinions of various college educators and business leaders regarding necessary knowledge for high school graduates entering either area. Surveys indicated that the emphasis should be placed on grammar, effective composition and world literature. New this year in senior English was an introduction to the origins of words through the study of Latin and Greek roots.

English Department

Department Chairman Mr. Leyendecker drives home a point in English 12.

ROW ONE: Leon Glick, Richard Bowen, Jack Wilson. ROW TWO: Melvin Buller, Russell Lyon, Ray Hemphill, Richard Linsenmayer, William Mondt, Richard Suriano.

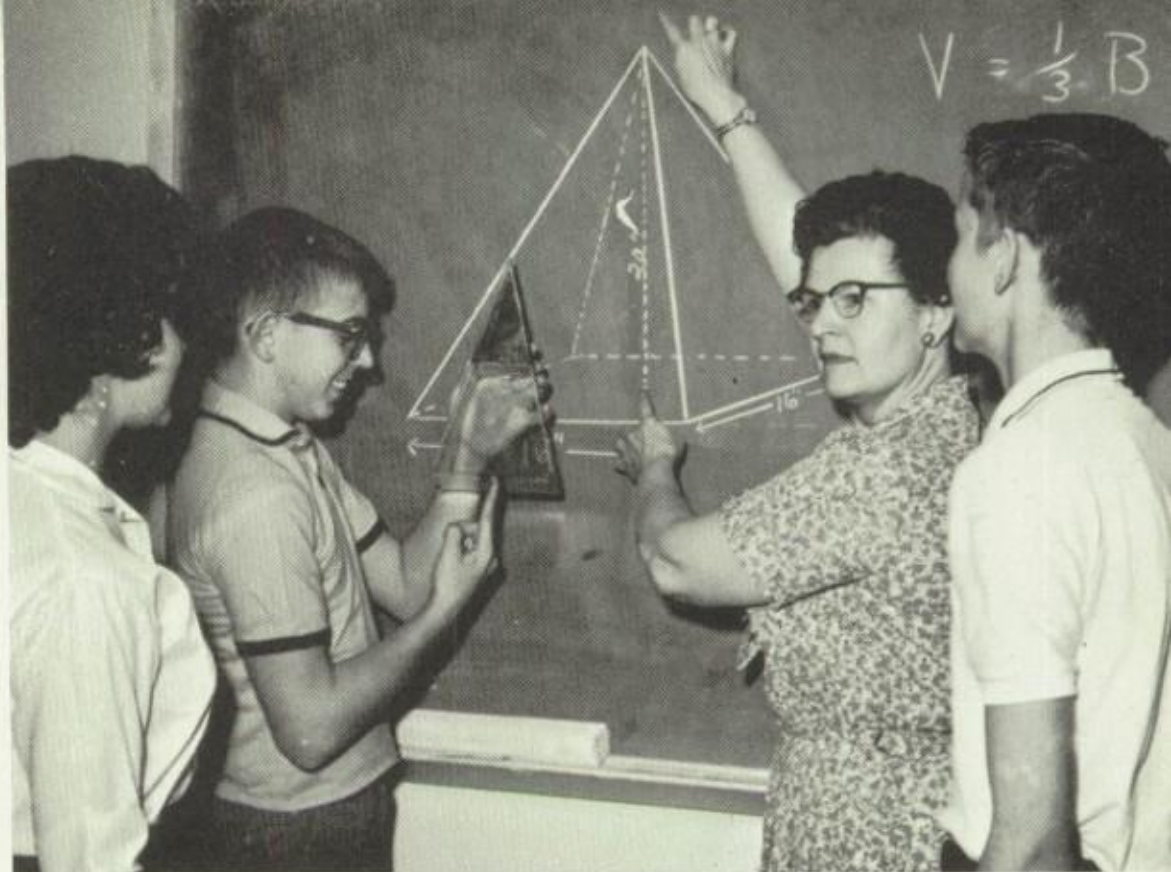

Designed to meet the requirements for increased technological knowledge, a course in Advanced Science was added to the curriculum. Through individual reports, lectures, and class discussions, students delved into astronomy, the theory of relativity, thermodynamics, and electricity. In addition, traditional courses in General Science, Biology, Chemistry, Earth Science, and Physics were offered.

Generating chlorine gas is explained by Mr. Buller, department chairman, to students Joyce Peck, Sharon Davis, Ava Claycomb, Jim French, Doug Woodyard, and Garner Fielding.

*Science
Department*

Math Department

"Altitude is necessary in finding volume," illustrates Miss Burton, department chairman, to Judy Geiger, Bill Stacey, and Ricky Scott.

Students in math this year found that as the world has changed and become more technical, the character of mathematics has changed and become more complex. The basic operations of arithmetic are still fundamental, but such topics as set theory, inequalities, mathematical induction, and matrices were also introduced. In some of the classes, slide films, projectors of various kinds, and programmed texts were used.

ROW ONE: Miss Pat Hansen, Miss Elizabeth Burton, Miss Gloria Scott. ROW TWO: Mr. Edward Schade, Mr. Charles Pearson, Mr. Jay Briding, Mr. William Mondt, and Mr. Richard Best. ABSENT: Mr. DeWitt Brennan.

LEFT TO RIGHT: Mr. Frank Krupinski, Mrs. Ann Thomas, Mrs. Thelma Culver, Mr. Henry Fellerman, Mr. Richard Ward, Mr. James Stabler, Miss Ann Krutsinger, Mr. Everett Estes.

"Social awareness and understanding, spurred by the recurrent crises in men's affairs," was the credo of the Social Studies Department this year. The aim of the department was to increase understanding of mankind via courses in psychology, sociology, economics, government, and history. A new Honors World History course offered students an advanced study of European history.

Mr. Ward, department chairman, points out a contrary member of the Common Market

Social Studies Department

LEFT TO RIGHT: Miss Joanne Cusack, Col. Carl Duffner, Mrs. Marty Davis, Mr. Floyd Quintana, Miss Porfiria Alvarado, Mrs. Mary Von Wellsheim.

Working under the concept of "a language for every student," the Foreign Languages Department offered four of them this year--French, German, Latin, and Spanish. The new language laboratory introduced the audio-lingual method of instruction in which the student repeats what he hears without seeing the words, thus giving him a speaking vocabulary in a shorter time.

Foreign Language Department

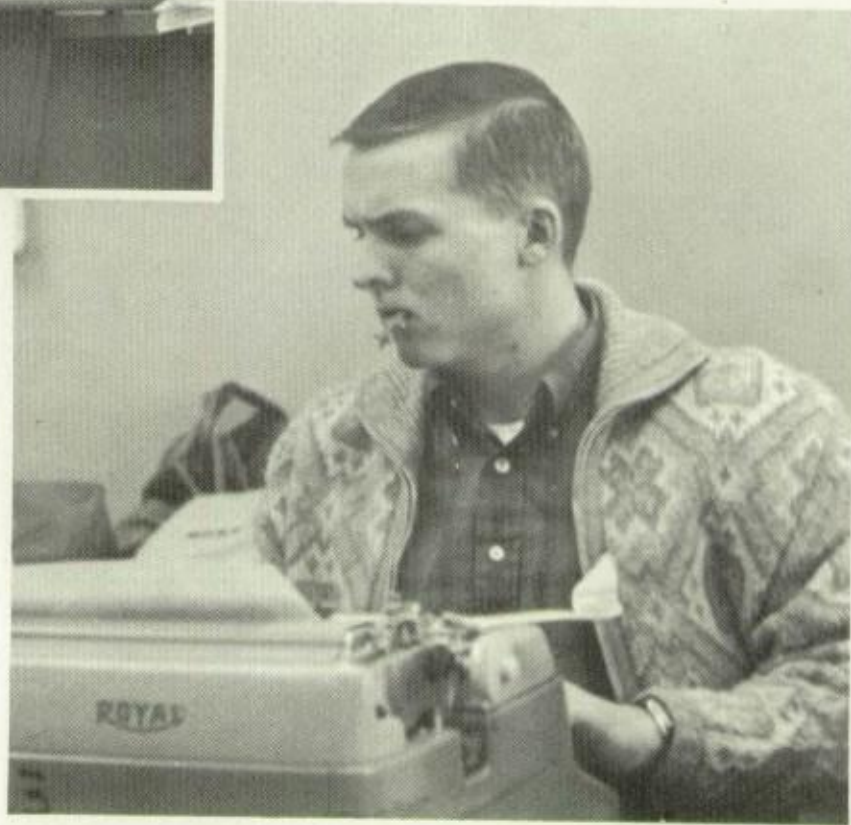

Supervised by Col. Duffner, department chairman, Pegge Brown and Jim Heaberg make a tape recording in the language lab.

John Julius concentrates

All set for a timing are Phyllis Sandels, Betty Jo Albertson, Joan Lemen, Jone Svejovsky, and Cheryl Terry.

Beginning with mastery of the typewriter, business students also took courses in Bookkeeping, Shorthand, and Office Practice. Emphasis in the department was on preparing students for success in the business world, while Personal Use Typing provided basic skills to those who were college bound.

Mrs. Marian Berwick and Mrs. Joan Troth, dept. chairman

*Business
Education*

Home Economics

Mrs. Margaret Dyke demonstrates the decoration of Christmas gifts to Marty Daley and Cheryl Terry.

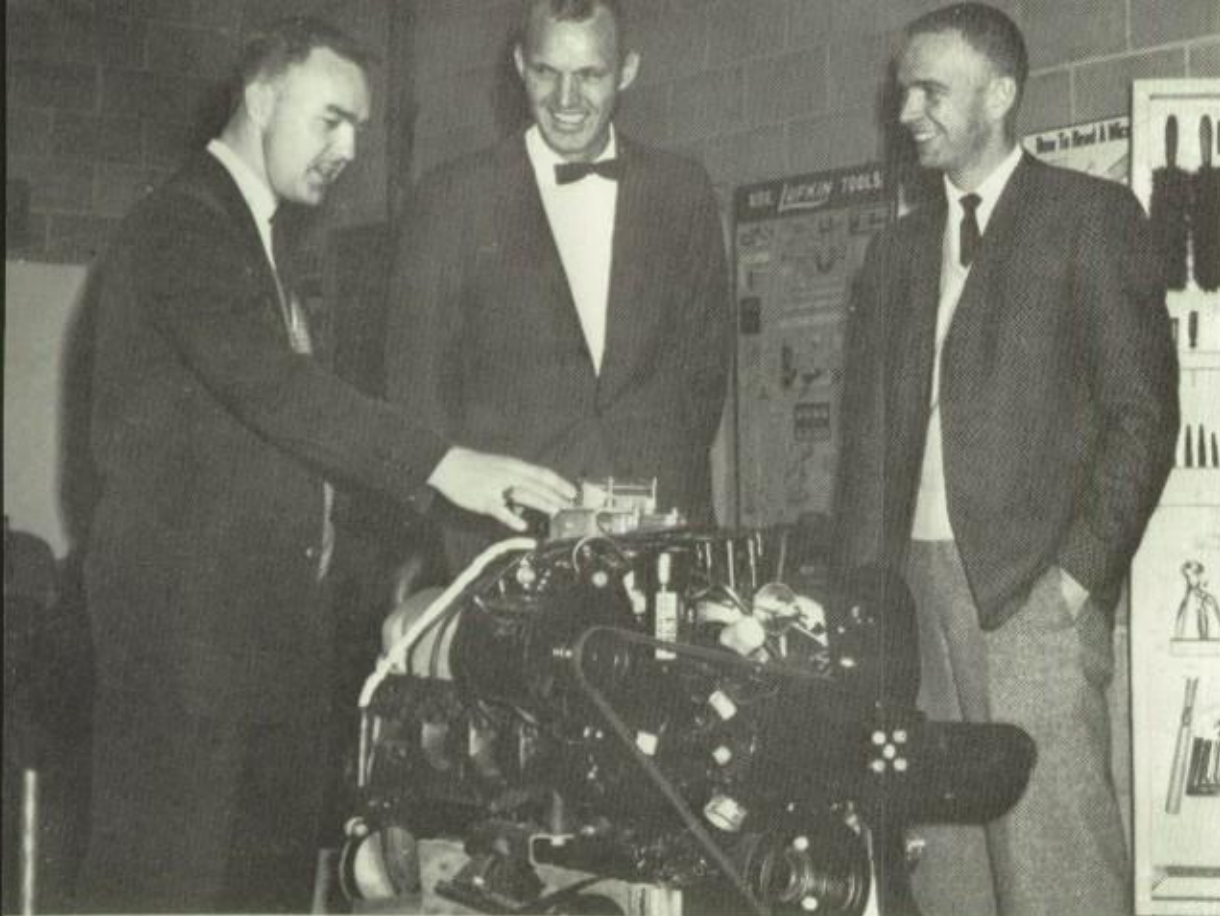

Better preparation for a future in homemaking occupied the minds of girls in Home Economics classes. Besides practicing the skills of cooking and sewing, the necessary qualities of loyalty, honesty, understanding, and dependability were discussed. Efficient management of energy, time, money, and resources was also stressed.

The Physical Education Department aimed to improve the physical and mental health of students through participation in individual and team sports. Bowling, tennis, swimming, and golf were added this year. A new project was the completion of a correctives room which was utilized by those needing special physical education and posture classes.

Physical Education

L TO R: Mr. Leon Glick, Mrs. Georgia Pedrie, Mr. Charles Pearson, Mr. Glenn Peterson.

LEFT TO RIGHT: Mr. Wendell Newman, Mr. Glenn Peterson, and Mr. Calvin Craig, department chairman.

Lectures, demonstrations, audio-visual aids, and experiments opened the way for understanding of the materials, processes, and products used in today's industrial society. A knowledge of the construction, operation, and maintenance of engines was offered in the new course, Power and Transportation.

Mr. DeWitt Brennan shows Cynthia Johnson the different gear positions.

Industrial Arts Department

Frank Hilla and C. L. Shanklin examine a new Ford engine.

Driver Education

Fine Arts Department

Preparing a display for the Fine Arts Department Spotlight are Sharry Kennedy and Ralph Kratochvil.

Appreciation and application of the fundamentals of music and art were taught to students in the Introduction to the Arts. In this course and a variety of others, the aim of the Fine Arts Department was to develop sensitivity, creativity, and high musical and artistic standards. As an extracurricular activity, the theory and technique of the Stage Band were also presented.

LEFT TO RIGHT: Miss Elsie Kipp, Miss Elizabeth Shellabarger, Mr. Keith Carter, department chairman, and Mr. Larry Perkins.

Ida Lynn Fultz, drum majorette, is surrounded by majorettes Linda Anderson, Cheryl Harris, Sandy Smale, and Vicky Vessells.

First Big Event of the Year--Homecoming

Senior President McDermott crowns Queen Judy.

It was a black day for the Panthers when Kadets beat Harrison at Homecoming. The week seemed touched by magic and was climaxed by the coronation of Queen Judy Johnston.

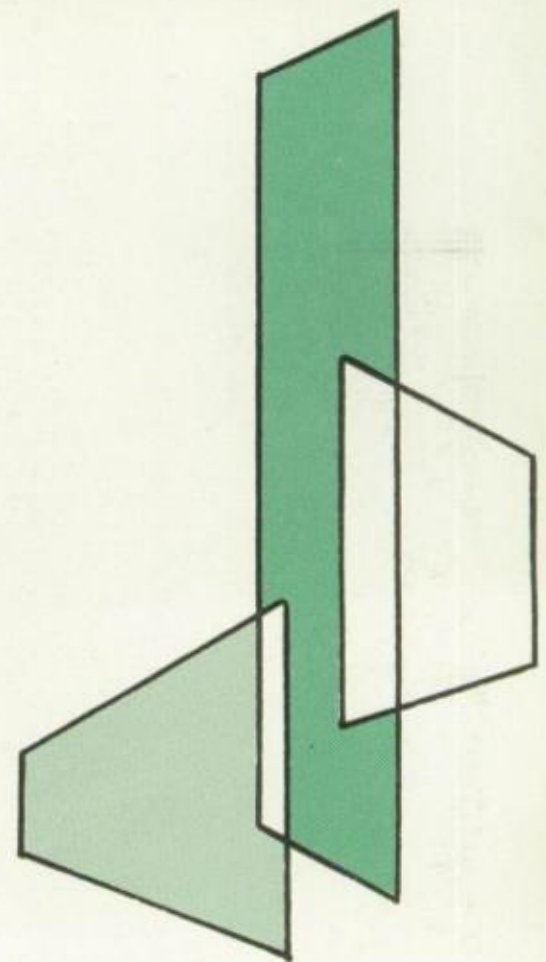

"This is what our Coachies wear to kick their players you know where!"

Steve, Mike, and Jesse bring on the meat-wagon.

That's the end of this Panther!

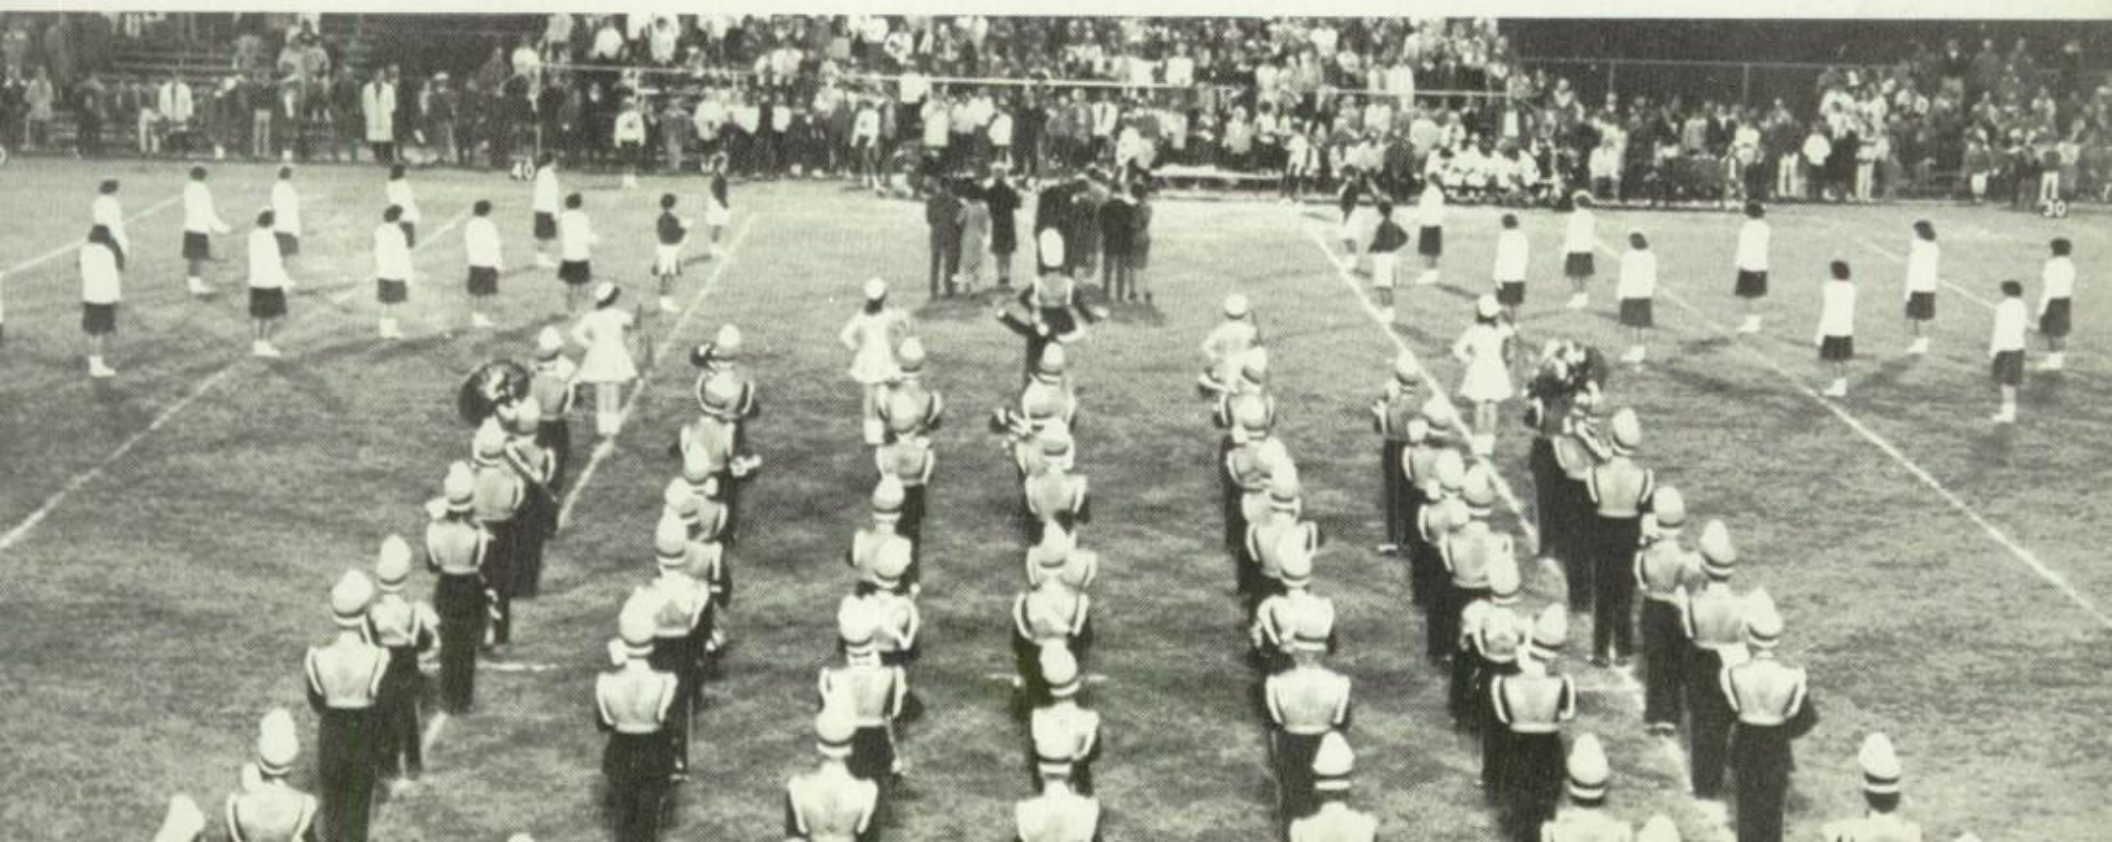

Queen Judy and Senior Attendant Bonnie circle the field amid applause.

Attendants Nancy, Ann, and Barbara smile at the cheering crowd.

The Band and Pep Club frame the impressive half-time ceremonies.

Extended Season Brings Its Reward

Hard work and long hours of practice paid off for the 1962 Kadet gridders as they captured the coveted Colorado AA crown. The Silver and Blue set their sights high, and under the expert guidance of the Academy coaching staff, met and overcame each challenge on the way to the state title.

Kadets Win Season Openers . . .

The Kadet grid squad got off to a winning start when they toppled a persistent Fairview team at the new Kadet field. The first score came on a pass from Julius to Culver. After the half, Hendricks blasted over for a six-point tally and added an extra point. With the Kadets ahead by one point, Chris Munch plugged across for an insurance touchdown, making the final score 20-12.

Halfback John Julius led the Kadets by scoring 20 points against a tough Castle Rock team. In a spectacular play, Terry Hostetter picked off a Huskie pass and blasted through tacklers into the end zone. Hank Arnold then broke away to add another tally and extra point. The top-heavy score at the final gun was 33-7.

In the first league game against Widefield, the team showed the coordination that was an important part of their game for the rest of the lengthened season. John Julius scored once by driving through the line into the end zone. Then Jay Hendricks ripped off tackle and up the middle for four more touchdowns and one extra point. The game ended in a 31-7 victory.

In a grueling, all-out effort by both teams, the Kadets had the battle of their grid lives against Cheyenne Mountain. A strong Indian squad pushed over two TD's and an extra point to put the Kadets at a 13 point deficit at the half. In the second half Julius and Arnold scampered around the ends for two touchdowns and hard-charging Kadet line-men proved themselves by opening gaps so that battering Jay Hendricks could pick up the needed first downs. Fine passing by Arnold to Julius scored the two after points that preserved the 14-13 victory.

Kadets Continue March Toward Crown

A large crowd watched the Kadets show their reserve power as they swept past the Manitou Springs Mustangs in a windstorm. Rich Miele, Roger Karolick, Hank Arnold, Jay Hendricks, and John Julius accounted for the touchdowns. Runs by Hendricks, Arnold and Julius scored the extra points for a 42-0 victory.

Before a large Homecoming crowd, the Academy 11 met a strong team from Harrison. The Kadets received the kickoff and marched downfield to the Panther eight-yard line. Hank Arnold burst into the end zone for the first tally, and scored again as the strong Kadet line led by Hostetter and Galvin opened the way. With only minutes left, Hendricks battered through a tough defensive line to score. He added the extra point to make the victory 19-7.

The Kadets splashed their way through the Salida Spartans on a field covered with mud and water. The driving rain did not hamper the Academy backfield as Julius and Arnold sped into the end zones behind a hard-charging line. Julius teamed up with Arnold for the first TD by snagging a pass on the goal-line. Hank Arnold then took advantage of wide holes in the defense and pushed across for the remaining two tallies which wrapped up a 20-0 shutout.

Jay Hendricks drives for a first down against Florence in the Championship game.

League Champs Stopped by Thornton

With the team in good spirits after the Salida victory, the Kadets showed tremendous teamwork by pushing over five touchdowns and as many extra points against Fountain. John Julius, Hank Arnold, Jay Hendricks, and Roger Karolick scored the TD's to win 35-0 in the last encounter before the league championship game.

An explosive demonstration of balanced offense and defense defeated the Florence Huskies as the Kadets claimed the Pikes Peak League Championship on Nov. 2. Arnold spearheaded the Kadets by scoring twice and adding two extra points, and Julius scored two TD's on a pass and a run. Munch and Hendricks each scored once and extra points were racked up by Munch, Stockhouse, and Pullen for the 41-6 victory.

The Kadets lost their only game of the season to a big and strong Thornton team, Metro League champs. Battling through a scoreless first half, the Kadets tried hard to get their offense moving. Although both teams were affected by a 30 mph wind, the Trojans pushed across the two six-point tallies in the final half. The attempts for PAT's were no good, one being wide and the other blocked by defensive end Chris Munch, making the loss 12-0.

Jay Hendricks plunges into the Durango secondary for a short gain.

Semi-Finals Won in Thrilling Clash

Fighting from behind twice to win, the Kadets showed good spirit and hustle on a cold and snowy field in the State Semi-Finals encounter with Durango. Arnold, running the eleven as quarterback, showed the fine ball-handling and sharp passing to Julius, Miele and Hendricks behind a line of rough and fighting linemen. Always under pressure, the team worked hard for the touchdowns, pushing Arnold and Hendricks across plus an extra point to win a berth in the State playoffs by a score of 13-12.

Offensive starters Caroom (left) and Culver warm up during a defensive period.

Scoring in the first and fourth quarters of an action-packed thriller, the Kadets proved their worth in perfect weather in the Tiger stadium at LaJunta. Never quitting, the Kadets played the toughest game of the season against a strong foe. Because the backfields of both teams were somewhat equal in power, the Kadet linemen were the deciding factor in the hard-won contest. Arnold, working behind the charging line, rolled out and punched into the end zone for the two tallies, ran an extra point over once and passed for the other point after. Dedication, determination, and five months of continuous hard work paid off as the Kadets took home the coveted State AA trophy.

"Let the record speak for itself"

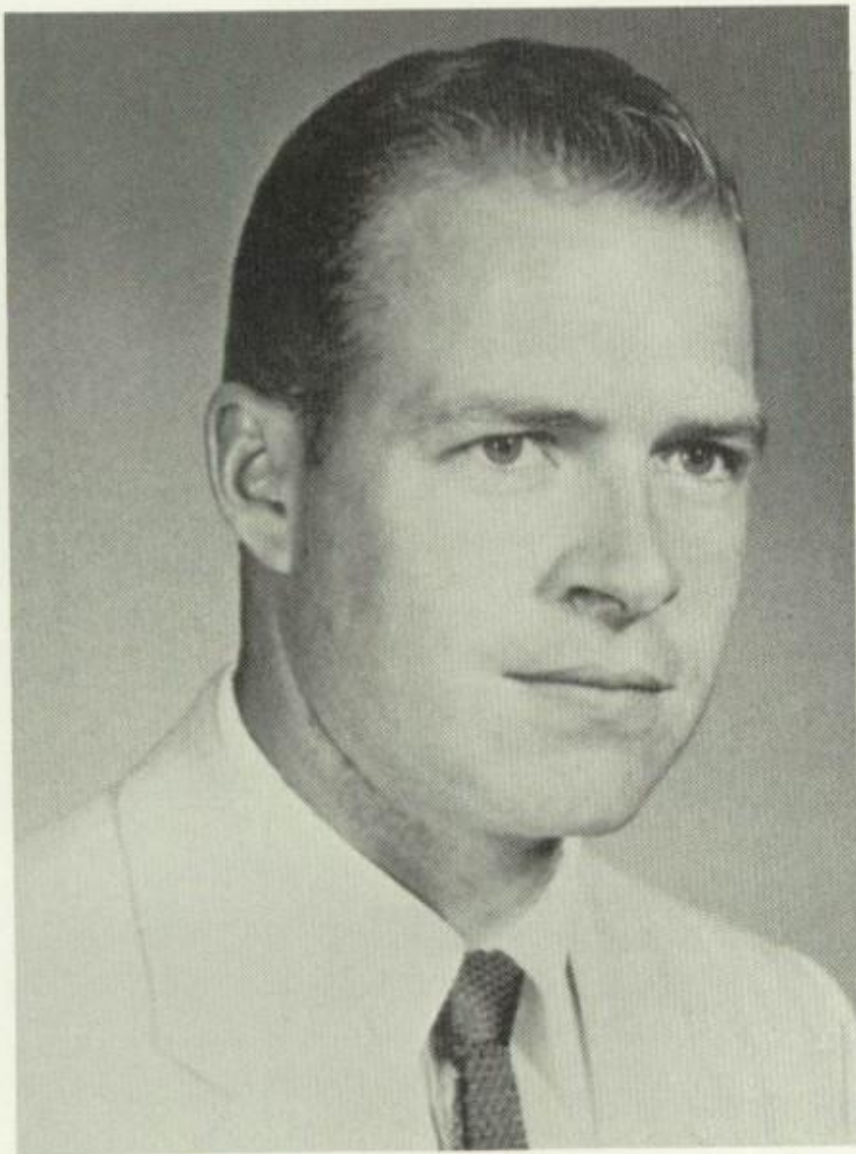

It has been said, "Where there is no vision the people perish. Where there is no maturity there is no vision. Our obligation, then, is to grow up. This is what our time requires of us. This is what may yet be the saving of us."

The school year 1926-63 was a year of maturing for Air Academy High School. Evidence indicates that our school has developed from infancy in 1957 to full maturity in 1963. Many of the petty problems that accompany extreme youth have disappeared, and we have directed our attention to more productive activities. The results are rewarding. A glance through this yearbook, recording the many outstanding achievements, allows us to say, "Let the record speak for itself."

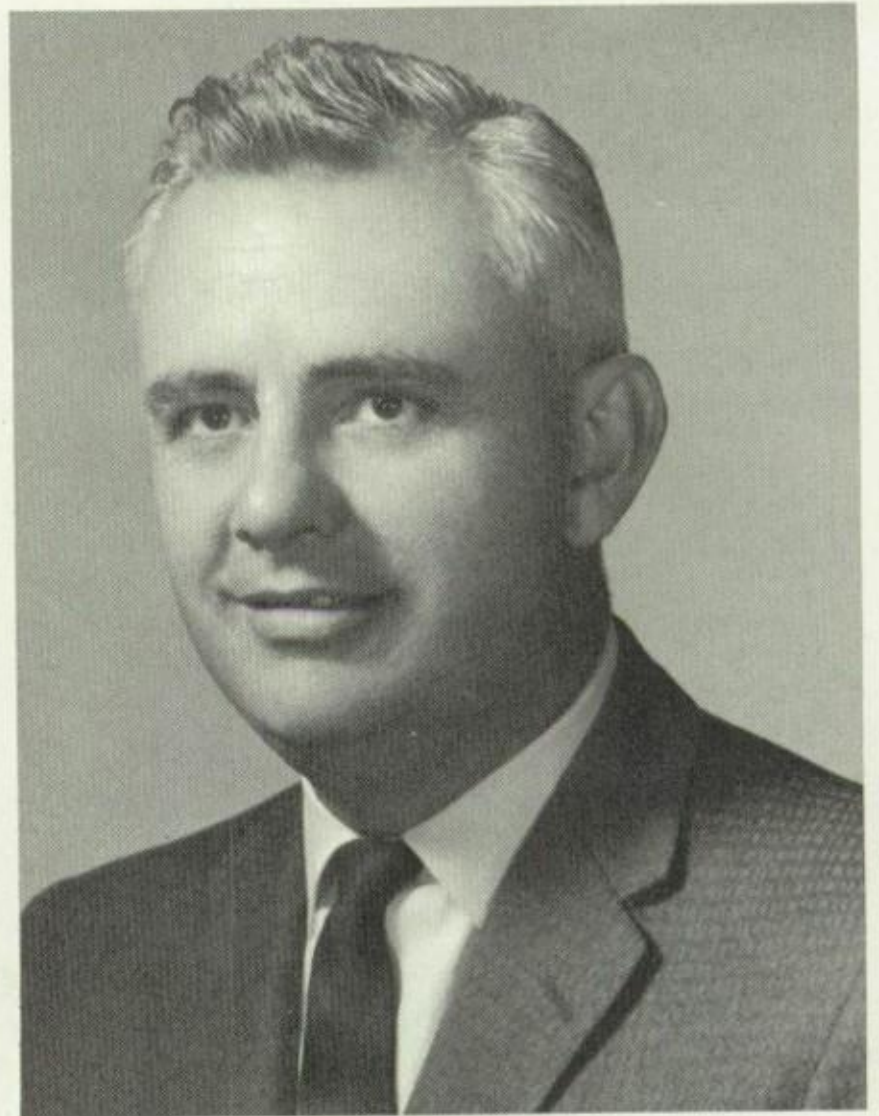

I commend the Annual Staff for the many hours of necessary hard work to publish this fine book. It provides us with an accurate historical record of the school year and as we continue to make history, the recording of facts about the school becomes increasingly important.

Dear Jim,

Well kid looks like its curtains for us, but hasnt it been a blast??

Remember the time we went up to Monument lake and we kept yelling "Hot Spot"!!! And all the food we ate that day! My gosh we didnt need floats we were all so bloated.

And then that time your parents took us up to Denver and we stayed over night that was really a scream. And then up at lakeside, honest kid I never have laughed so hard in my life.

Well Jimmy I cant think of anything else to say except that I'll never forget all the fun we've had this past year. Take care of yourself and dont do anything that I wouldn't do "thats a wide region".

P.S you'd better write to me when I leave.
